Summary

Final-year B.Tech. student in Electronics and Communication Engineering with hands-on experience in frontend web development using HTML, CSS, and JavaScript. Interested in building responsive and user-friendly web applications, with a strong willingness to learn and apply software development skills in real-world projects.

Technical Skills

Languages	C, Python (Basics), JavaScript
Web Technologies	HTML5, CSS3
Frameworks	Django
Database	MySQL
Tools	VS Code, Git, GitHub, Vercel
Soft Skills	Teamwork, Problem Solving, Time Management, Self-Motivation, Communication

Education

B.Tech. – Electronics and Communication Engineering **2023 – Present**
Avanthi Institute of Engineering & Technology

Internship Experience

Web Developer Intern – Oasis Infobyte **2025**

- Developed and deployed responsive web pages using HTML, CSS, and JavaScript.
- Built and optimized mini-projects, including a personal portfolio website, landing page, and temperature converter.
- Gained hands-on experience in frontend development, debugging, responsive design, and UI improvement.

Projects

Personal Portfolio Website

- Designed and deployed a responsive personal portfolio website showcasing projects, skills, contact information, and relevant links.
- **Technologies:** HTML, CSS, JavaScript

Landing Page

- Built a responsive product landing page with interactive animations and a user-friendly design.
- **Technologies:** HTML, CSS, JavaScript

E-commerce Website

- Developed a responsive e-commerce website using Django, HTML, CSS, JavaScript, and MySQL.
- Implemented user authentication, product catalog, shopping cart, and order management features.
- Designed a user-friendly interface and integrated the backend with MySQL for efficient data management.

Certifications

- **Front-End Web Development Internship** – Oasis Infobyte (AICTE OIB-SIP), 2025
- **Star Performer Award** – Oasis Infobyte Internship Program, 2025
- **Letter of Recommendation** – Oasis Infobyte, 2025

Achievements & Leadership

- Recognized for leadership and event coordination during **Vigyan Vaibhav 2026 – Space Convention & Project Expo**, organized in association with ISRO.
- Served as a Student Coordinator for college technical and outreach events.
- Participated in technical learning programs, workshops, and internships focused on technology and skill development.
